

1st ANNUAL

Free Dental Hygiene Day

Healing Hands Health Center hosted its 1st annual Free Dental Hygiene Day in partnership with the Wytheville Community College Hygiene Program!

A volunteer team consisting of fourteen volunteer dental hygiene students and their preceptor Elaine Smith, four University of Tennessee dental students, and our own Healing Hands dental staff served more than fifty patients on Friday, November 9, 2018.

We would like to share a special thank you to Aetna and Renasant Bank for their generous financial contributions to make this event a success!

We would also like to give a huge thank you to Delta Dental of Tennessee for providing our clinic with the necessary equipment, as well as the free toothbrushes and toothpaste that we gave to each of the patients!
