

What a Sweet Way to Start 2019!

Sweets for the Sweet

 Healing Hands
Health Center

Healing Hands Health Center's Sweets for the Sweet raised almost **\$30,000** to provide compassionate healthcare to the working uninsured in our region!

Our ninth annual Sweets for the Sweet fundraiser was such a **SWEET** success! We are blessed that **over 80 dedicated volunteers** helped us organize, pack and deliver **979 Valentine's Day cupcakes!** About 100 senior citizens and shut-ins received a heartfelt surprise cupcake.

We are very grateful for all who supported this special fundraiser. Thanks to your generosity, hundreds of hard-working men and women will have access to high quality, affordable healthcare. **YOU ARE A SWEET BLESSING!**
